

The Detling Singers

The Detling Singers are four part choir, founded in 1974. They meet in Detling for practice on Mondays evenings and during the year perform at venues throughout mid and north Kent. They are a not for profit choir who enjoy a good sing in a friendly environment. Their repertoire includes folk songs, songs from the shows, spirituals and sacred music.

The popular Christmas concert in the Village Hall is a highlight of the year and should not be missed. Their programme includes concerts in support of fundraising events by other organisations and entertainments for special events. These include performances for after diner entertainment, for special celebrations and at private functions. Each programme is tailored to suit its specific purpose and venue.

New singers are welcome – Why not join us at a practice evening to see if it is a hobby you would enjoy.
